Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 256A to Moody, Texas as that community's first local FM service. Moody is an incorporated community with a population of 1,400 people and 94 businesses that have been given a credit rating by Dun & Bradstreet as of the last quarter of 2000.¹ Moody has its own mayor, Mac Alton, its own independent school district, the Moody Independent School District, its own post office, volunteer fire department, police department, city offices and a number of

local churches. The proposed channel 256A will provide additional diversity and an outlet for local self-expression to Moody residents and therefore is in the public interest.

Should this petition be granted and Channel 256A is allotted to Moody, Texas, Petitioner will apply for Channel 256A at Moody and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
